

“VCRA RACE 4 AUTISM” DONATION REQUEST GUIDELINES

VCRA is a 501c3 not for profit organization, IRS EIN # 27-0722024, that donates all proceeds to select AUTISM schools, programs and/or chapters in need. All principals and members of the VCRA staff are volunteer assuring that the maximum amount of funds raised through rallies, charity auctions, sponsors and all other forms of fundraising events go directly to the immediate needs of selected programs.

All requests for funding will be vetted by VCRA principals, and the selection of the recipients is final. The following general guidelines are used to determine the programs selected.

To be considered for a donation, the following general criteria is used:

- a. 501 C3 organizations are given priority consideration
- b. Description of what the funds will be used for
- c. Why are the funds needed
- d. When will the funds be needed (timetable)
- e. History of your school, program or chapter
- f. Mission statement of your school, program or chapter
- g. Tax return and/or financial statement must accompany request
- h. Must agree to VCRA “Donations Agreement” (attached copy)

VCRA is very serious about the “use of funds donated” as evidenced by the above guidelines. It is our hope that this will not offend anyone as our major goal is to make absolutely sure that the funding will make an immediate, positive impact on the lives of kids with autism.

It is our mission to reach as many kids as possible, and make the lives of those affected with autism, and their families, a little better. The long range goal of VCRA is to totally fund a “Justyce House”...a multi-person home that will provide assisted living options for those children reaching adulthood, and give them a placed to live and learn to lead a more productive life.
